Dedication

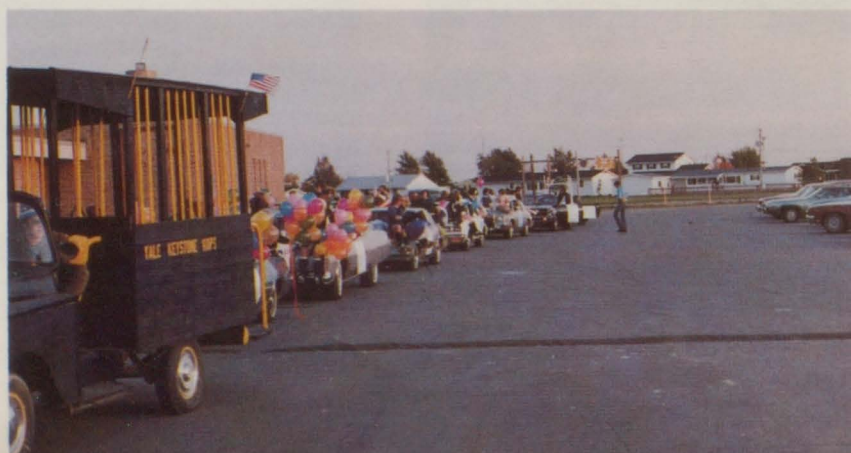

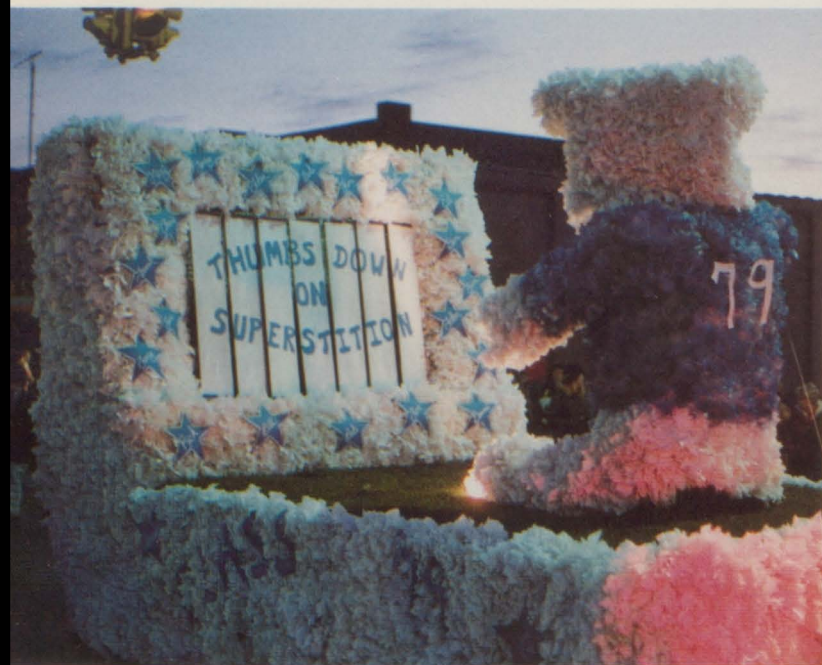

This year's dedication of the 1979 Yearbook is to Mr. Richard Little. Mr. Little has been with the Yale system for 18 years, beginning as a Spanish, Latin and science teacher and then as a counselor. He has accomplished many things in his life, among these are being named the youngest Eagle Scout to receiving an M.A. in Administration. Mr. Little has done enumerable things while at Yale. He is a past sponsor of the Spanish club and has chaperoned two trips to Mexico and sponsored another. As Senior class advisor, a job which he has had almost every year, he worked on many first place Homecoming floats, the Christmas dance, the Prom, caps and gowns, announcements, Senior trips, and graduation. Not only is he a full time counselor, but he also works with the foreign exchange students, cadet teachers, Adult education and co-op. Other activities that he is involved in are helping with the Junior and Senior class plays, teaching badge classes to Boy Scouts, and working on weekends as a meatcutter in the I.G.A. in Cass City.

We feel that Mr. Little also possesses special qualities that warrant this dedication. He likes, cares, and respects the students at Yale. He helps kids learn to do things for themselves, rather than doing it for them. He also has the ability to give students a sense of self-worth which is so important. Because of all his limitless time and efforts for the students of Yale High School, we dedicate this yearbook to him.

If I could save time in a bottle,
The first thing that I'd like to do,
Is to save everyday 'til eternity passes away
Just to spend them with you.

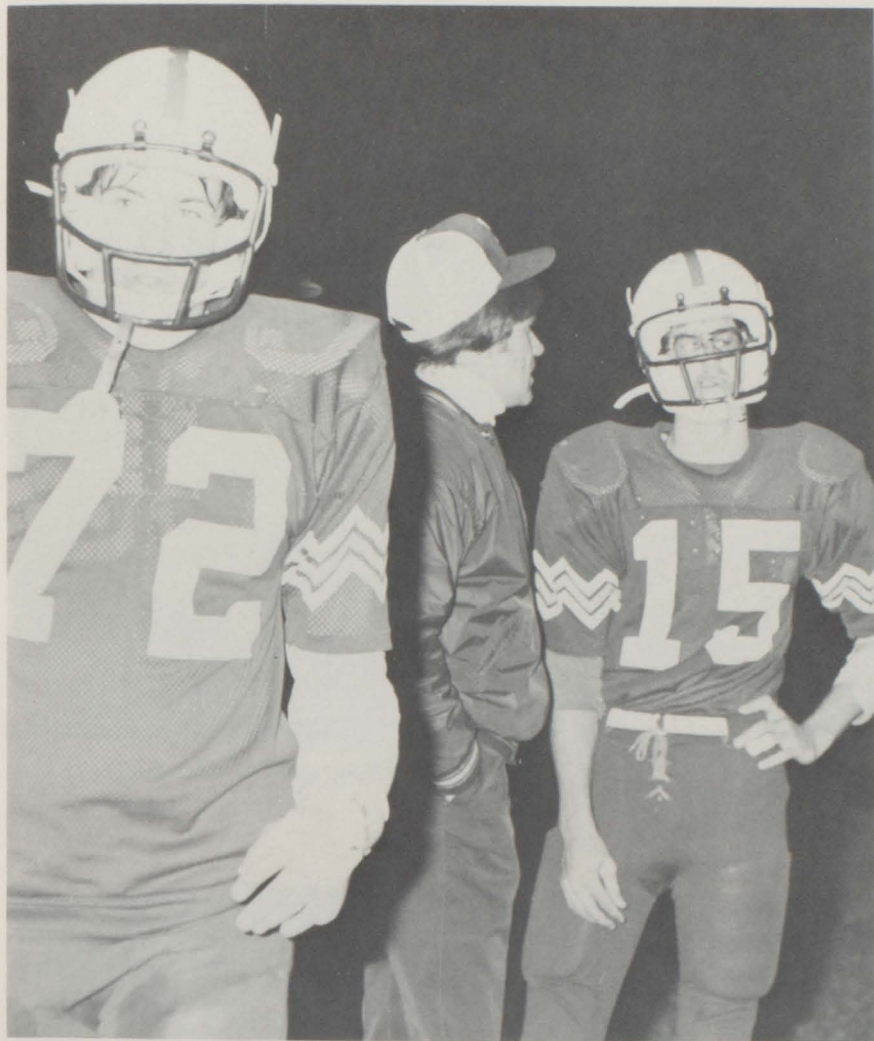

Homecoming Dance

If I could make days last forever
If words could make wishes come true
I'd save every day like a treasure and then,
Again, I would spend them with you.

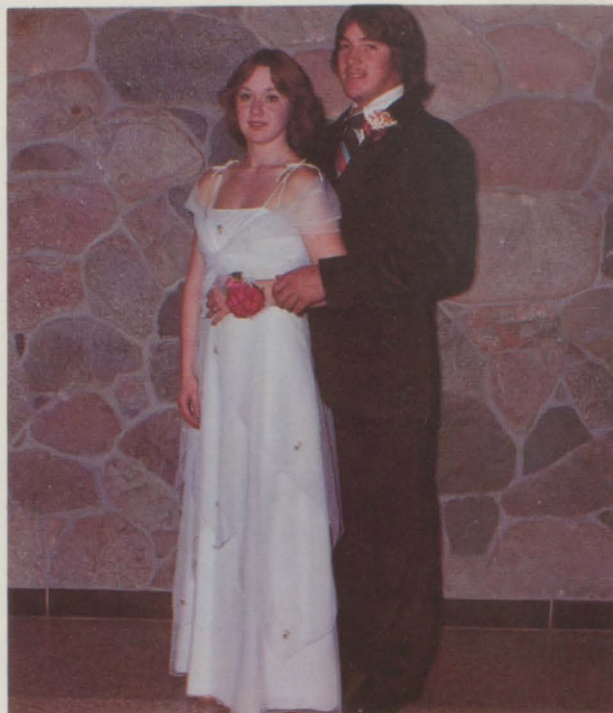

And Game

The 1978 Homecoming Court

Floats

The float competition was close this year but the Seniors were finally victorious. The theme this year was "Superstition" with the game being played on Friday the 13th. On the opposite page, upper picture, is the Junior class float. The bottom picture is the second place float designed by the Sophomores.

But there never seems
to be enough time,
To do the things you
want to do once you
find them.
I've looked around
enough to know
That you're the one I
want to go through
time with.

Homecoming

Parade

If I had a box just for wishes
And dreams that would never come true
The box would be empty, except for the memory
Of how they were answered by you.
